Slide 1 – who really makes the sex offender registry?

You are the high risk group

- You probably know someone who has been the victim of sexual assault
 - Sexual assault and rape are the #1 under-reported crimes
 - One out of every three to six women or girls has been – or will be – raped or sexually assaulted in her lifetime
- More than 60% of victims will remain silent

Slide 2 - Targeting the risk group

Abuse Proof Your Relationships

**Maintain your Self Respect,
truly believe that you are a
valuable person who
deserves to be treated with
respect**

Slide 3 – Dating Violence slide

How can I protect myself?

- ⊙ Trust Your Instincts – don't spend time in an area or with a person who makes you feel uncomfortable
- ⊙ Avoid secluded places, isolation. Including you partner's room
- ⊙ Stay sober and aware
- ⊙ Know what you want and be clear with your partner or date

Slide 4 – Sexual Assault for girls

Protecting Myself...

- ⊙ Don't allow yourself to be subject to peer pressure. Don't be encouraged to do something you don't want to do
- ⊙ Go out with groups of friends. Watch out for each other. Check on each other throughout the night
- ⊙ Don't be afraid or embarrassed to ask for help if you feel you are in a dangerous or uncomfortable situation

Slide 5 – Sexual Assault for girls

Protecting the women in our lives...

- ◉ Understand how alcohol affects US
- ◉ Understand we are accountable for our actions
- ◉ Hold your friends accountable for THEIR actions
- ◉ Lead by example – be a role model for other men in your lives
